

CAPABILITY STATEMENT

TDS TECHNOLOGY DESIGN & SERVICES LLC

ABOUT US

TDS Technology Design & Services LLC is a full-service provider of technology design, consulting, and support services. With expertise in various industries, we offer a wide range of capabilities to meet the unique needs of our federal clients.

Our team is experienced in delivering comprehensive solutions in areas such as graphic design, computer programming, computer systems design, and computer facility management. Additionally, we provide administrative management, marketing consulting, and logistics consulting services to help streamline operations and improve efficiency.

We are also well-versed in providing transportation services, including specialized freight trucking, limousine service, and courier and express delivery services. Our expertise extends to security services, with capabilities in security guard and patrol services as well as security systems services.
